Payroll Check Printing & Tax Reporting

TEAM is very excited to now offer payroll check printing and tax reporting services. TEAM customers can take advantage of the convenience of outsourced payroll while maintaining accurate and detailed labor data in WinTeam.

Check Printing

- All payroll data resides in WinTeam, including employee information, hours worked, pay rates, payroll checks, etc.
- Payroll is processed through WinTeam's Payroll Wizard
- The payroll check information is then exported to one of the nation's largest payroll check processing companies' check printing services through a special interface
- WinTeam's General Ledger is updated with the information run through the Payroll Wizard for accurate and timely Job Costing
- Checks are printed and distributed to your employees according to your company's specifications

Please call us at 800-500-4499 or send an e-mail to sales@teamfinancial.com for more information. A Sales Associate will provide you with a customized quote based on your company's needs.

Tax Reporting

- Employee & payroll data remains in WinTeam
- New "Tax Filing" report in WinTeam compiles and exports data
- Your staff will still have access to the information if needed (can run reports, view data in WinTeam)
- All payroll tax returns will be filed
- TEAM customers can choose to print their own payroll checks yet utilize TEAM's Tax Reporting Services
- The TEAM staff is highly involved in setup and ongoing support
